*This year, to promote everyone's health and safety during the COVID-19 crisis, we are transitioning from an in-person event to an online fundraising campaign in lieu of our Annual Gala Benefit to Celebrate Recovery. Today more than ever, our MEMBERS need US and we need YOU. In times like this, we are reminded of how interconnected we all are. Thank you for being a part of our community. Without you, none of this is possible. Our online fundraising event will feature three videos including a virtual tour of our facility, as well as an overview of Peoples Oakland past to present. We will also hear from staff, members, treatment team providers, and caregivers about their experiences being part of the Peoples Oakland family. The campaign will run virtually from October 1<sup>st</sup> to October 8<sup>th</sup> on our website and Facebook page, and will include additional fundraising opportunities through online raffle baskets!*
